Friends of Merri Creek @ Edgars Creek thank Melbourne Water for their continued support of our work on the Edgars Creek. We also acknowledge with gratitude the generous support of Merri-Bek City Council who have endorsed our vision for Edgars Creek and their ‘on the ground’ support.

We acknowledge the first custodians of the Edgars Creek lands – the Wurundjeri mob.

It always was and always will be Aboriginal Land.

We proudly care for the country that is the resting place of their ancestors and acknowledge today’s elders.
